

Greetings from Dr.B.C.Roy Engineering College,Durgapur (BCREC,Durgapur)--Training and Placement Cell. We take this opportunity to cordially invite your esteemed Organisation to participate in our campus placement programme. BCREC has a large pool of talent to recruit from, with a wide range of courses being offered at UG and PG levels. At present in Engineering we have 7 departments at UG level (B.Tech) and 4 specializations at PG level. (M.Tech).We also offer MBA and MCA courses.

We do offer other courses in our group colleges under Pharmacy , Diploma and other UG disciplines --BBA,BCA and BBA(Hospital Management ) .

At our College we arrange the training modules for students on regular basis which combines Aptitude (Numerical & Analytical), Technical, Behavioural & Communication skills development, Programming & Coding, Mock Interviews . We train our students with our in house training team and make them industry ready. We arrange for Online Mock Test conducted by external agencies.

Our Training and Placement Cell consist of full time Professionals which operates from Kolkata office and it also supported by a team of Faculties from Campus regarding Training and other activities.

Over the years BCREC has become one of the preferred choices for Campus recruitment drives by all leading Organisations.

We look forward to your kind help and support in this regard.
